When and how do I pay?

You can pay your premium as a one-off payment, annually or in monthly instalments. Payment can be made by bank transfer, cheque, debit/credit card or direct debit.

When does the cover start and end?

The period of time covered by this policy is outlined on your schedule.

How do I cancel the contract?

You may cancel your policy at any time by returning the Certificate of Motor Insurance to us.

You have the right to withdraw from this policy, provided you have not made a total loss claim, within 14 days of the start date / renewal date of your policy or the date on which you receive the full terms and conditions of your policy. This is known as the 'cooling off' period.

If you cancel the policy after the 14 days cooling off period, we will refund the amount you have paid for the unused period less a charge. Please refer to your schedule for further information.

Regardless of when you ask us to cancel the policy, the full annual premium is payable to us if you have made a claim which was your fault or if we are unable to recover our outlays from the responsible party.

To cancel your policy, please contact the insurance advisor you used to arrange this policy.
