Through this arrangement, Lockton act as agent for Royal & Sun Alliance plc in accepting applications for cover, handling claims and in receiving payments of client money.

Why do I need insurance for my Wheelchair?

Our policies cover the potential problems and difficult situations that many wheelchair users are concerned about.

For example:

- if your wheelchair is lost, stolen or damaged, you will be able to replace or repair it quickly

- if you have an accident while using your wheelchair, any injuries caused to other people will be paid for if you are at fault
- if you're travelling abroad, you can take your own wheelchair with you - our policy provides cover during airport handling and on board aircraft.

All policies are underwritten by Royal & Sun Alliance Insurance plc, one of the world's leading insurers, so you can be certain that if you do need to make a valid claim it will be paid promptly and fairly.

Because we provide a dedicated claims team dealing with claims on behalf of Royal & Sun Alliance Insurance plc as part of our service, all you will need to do is get in touch - and let us take care of the problem, fast.

If you need to make a claim please contact us immediately on **0345 602 8000** or write to us at the address shown later in this leaflet. We may ask you to complete a claim form and supply an estimate for the cost of repairs.

What does the policy cover?

Loss or damage

The cost of repairs to your wheelchair if it is lost or damaged as a result of an accident, fire, theft or vandalism. The premium shown in this brochure represents cover for a manual wheelchair up to a value of £2000.

If your wheelchair is valued more than £2000 please contact us for a quotation.

The policy excludes manual wheelchairs fitted with a powerpack or specialised wheels. Please contact us on 0345 602 8000 for a quotation.

New for old replacement

Royal & Sun Alliance Insurance plc will replace your wheelchair with a new model if it is stolen (and not recovered), or if it is so seriously damaged in an accident that repairs would cost more than 60% of the list price of a new wheelchair of similar make and model. NB: This benefit applies if you have owned your wheelchair from new and it is less than two years old. Otherwise you will be paid the current market value of the wheelchair.

Personal Effects

A maximum of £200 for any one claim will be paid for loss of or damage to your personal effects while you are using your wheelchair.

Public Liability

This means that you, your carer or personal assistant are covered against:

- liability to pay compensation and costs if you accidentally injure another person, including a fatality, or accidentally damage their property while using your wheelchair or its accessories.
- legal costs incurred by you with the written consent of the insurer, Royal & Sun Alliance Insurance plc.

Please note that the maximum payment for any one claim is £2 million.

Getting home

If your wheelchair is stolen or damaged, this cover will pay the cost of passenger fares only for you and one person to get home.

The maximum amount paid is £100 for any one claim and £500 in any one year of your policy. Please note that additional transportation of the damaged wheelchair is not covered.

Mobility payment

If you are left without a working wheelchair for more than three days following an accident, you will receive £7 per day up to a maximum of 21 days. There is no payment for the first three days. The maximum amount payable in any one year of insurance is £250.

Sports use

You will be insured to use your wheelchair for all sports except racing and pacemaking. Because of the nature of activity involved, you will have to pay the first £50 of any claim.

Worldwide cover

As long as you are normally resident in the UK, you can take your wheelchair with you whenever you travel abroad. This cover includes air travel and airport handling.

Accidental death

If you die as a result of an accident while using your wheelchair, £3,000 compensation will be paid.

What will the policy cost?

Our fixed prices are shown on the application form. You can insure your wheelchair for one year at a time, or you may wish to insure it for three or five years and make substantial savings to your premium.

How to take out insurance cover

You can arrange your insurance cover in one of three easy ways:

- Complete the attached application form and send it to us with your payment.

Cover can start immediately or from a future date, please ensure you complete the date that cover is to commence on the application form. If the application form is sent by post and immediate cover is required, this will be provided for up to 10 working days subject to receipt of your completed application form and payment within this period.

- You contact us on 0345 602 8000 to buy insurance cover over the telephone. Simply provide us with brief details about yourself and your wheelchair and pay by debit/credit card. You will be covered with immediate effect **WITHOUT** the need to complete any paperwork.
- You buy online via our website: **www.locktonmobility.com** All you need to do is to provide us with brief details

about yourself and your mobility vehicle and pay by debit/credit card.

Confirmation of cover and policy documents will be sent automatically to the email address provided.

If you have bought your insurance cover over the telephone or by completing an application form, you should receive your policy documents within 14 days. Please call us if they do not arrive within this period.

And finally, please protect your wheelchair. Incidents of theft and vandalism are on the increase, putting your mobility at risk. We strongly recommend that you make your wheelchair as secure as possible whenever you are not using it. **If, at your normal place of residence, your wheelchair cannot be stored in locked accommodation (ie building, shed or car) overnight, we cannot offer cover for theft, attempted theft or malicious damage.**

Please read our separate Business Principles which explains our relationship with you and the services we provide. Cooling off period - cancellation rights

You have a right to cancel the cover within 14 days of the date you receive the policy documents or within 14 days of the date you receive the renewal confirmation. You should exercise this option by contacting Lockton Mobility on 0345 602 8000.

If you exercise your right to cancel during the cooling off period, you will be entitled to a return of the premium paid unless a claim has been made which leads to the contract of insurance being fully completed.

The amount of premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments due. The premium will be subject to Insurance Premium Tax (IPT) at the prevailing rate.

If you do not exercise your right to cancel during this cooling off period, the policy premium becomes due, you may not be entitled to a refund of premium and the policy may run for its full term. Full details of the cancellation conditions that apply can be found in the policy wording, a copy of which is available on request.

Data protection

Your personal data will be controlled and processed by Lockton Mobility for the purposes of providing insurance quotations. We may disclose your personal data to other companies within the same group as Lockton Companies LLP or to advisers or third parties assisting in providing services to you.

Duty to take Reasonable Care

As a consumer, you no longer have a duty of disclosure, but you do have a duty to take reasonable care not to make misrepresentations to the insurer in answering any questions. This duty means that you must answer all questions completely and truthfully. If the insurers obtain evidence that you deliberately or recklessly provided incomplete or untrue answers to questions, the insurer may avoid the policy. This means that the insurer will not pay out on any claims or may deal with the matter on the basis of the terms that would have applied had there been no misrepresentation, or may proportionately reduce any settlement in line with the premium that would have been charged.
