It is important that the information you give us is accurate, otherwise your insurance may not be valid.

Excess

The amount you have to pay towards any valid claim under this insurance.

In-car entertainment and navigation equipment

The cost of replacing your vehicle, if this is possible, with one of a similar make, model, year, mileage and condition.

Period of insurance

The length of time covered by this insurance as shown in the schedule.

Cover

Guidance notes

Your own schedule will show which parts of this insurance apply to your car as long as you have paid the premium.

Please check that this is the cover you asked for and tell your insurance adviser if you have any questions.

The cover you have chosen is shown in your schedule. We have divided your cover into different sections.

- 1 **Comprehensive** - If you choose comprehensive cover, all the sections of this document apply.
- 2 **Third party fire and theft** - If you choose third party fire and theft, sections 1, 2, 3, 5, 6, 11, 13 and 14 only apply. The cover under section 6 is restricted to loss or damage caused by fire, theft or attempted theft.
- 3 **Third party only** - If you choose third party only, sections 1, 2, 3, 11, 13 and 14 only apply.
- 4 **Fire and theft only** - If you choose fire and theft only, sections 5, 6 and 15 only apply. The cover under section 6 is restricted to loss or damage caused by fire, theft or attempted theft. (You can only have this cover if your car is kept in your locked garage and is not being used.)

If the insurance is not in one person's name, sections 2, 9 and 10 are cancelled.

The general conditions and exceptions apply to all sections of the insurance.

Use

It is important to read your certificate of motor insurance to see how you may use your car. We do not cover certain uses.

Your car will only be covered if you are using it in the way agreed on your certificate of motor insurance, or any endorsements. Use in connection with voluntary work by any authorised driver is permitted by this insurance.

Your car will not be covered while it is being used for any competition, rally, trial, track day, performance test, race or speed trial (whether between motor vehicles or otherwise). This exclusion applies even if the event is not on a public road and regardless of whether it is authorised by the police or another relevant authority. Cover is also not provided for your vehicle being used on derestricted toll roads. Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended (including the Nurburgring).

Guidance notes

This section explains the cover available if other people claim against you, for injury to them or damage to their property.

This section covers your employer while you are using your car on business.

Always check that other drivers have valid licences.

We do not have to settle claims under this section if anybody claiming can claim for the same loss on another insurance.

What we cover

Using your car

We will cover any payment that legally has to be made by you for:

- death of or injury to another person; or
- damage to other people's property as a result of an accident arising from your vehicle being used.

Other drivers using your car

We will cover you for the following.

- Another person using your car with your permission as long as this is agreed on your certificate of motor insurance. They will be covered for death or injury to other people, or damaging property. Any passenger in your car will also be given this cover.
- If we think it is necessary, we will arrange for a solicitor to represent anyone covered under this section.

Business use

- If your certificate of motor insurance includes business use or your vehicle is being used for voluntary work by you or any authorised driver, the terms in which we insure you under this section (liability to others) are extended to include any liability attached to a principal by virtue of any contract that you may be under with that principal, as a result of the use of your vehicle.

Legal personal representatives

- If anyone covered by this insurance dies, we will deal with any claim made against their estate as long as the claim is covered by this insurance.

What we do not cover

- a) Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.
- b) Anyone who is covered by other insurance.
- c) The death of or injury to the driver.
- d) Damage, loss of use or any other loss to:
 - any motor vehicle which is covered under this insurance;
 - any property you or anyone else driving the vehicle owns or is looking after; and
 - any trailer, caravan or vehicle towed by or attached to your car.

Section 1 continued on the next page.

Liability to others (continued)

- e) Loss or damage caused intentionally or maliciously by you or any person employed by you or any person covered under this policy or any member of your family, or loss or damage someone else causes with your permission or encouragement.
- f) Death of or injury to any person during the course of their employment, except for the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance.
- g) Payment of more than £20 million (including legal costs) for damage to other people's property arising from any one claim or series of claims arising from one cause.
- h) We shall not pay any claims in relation to business use (mentioned above):
 - If we do not have full control over the conduct of any claim that occurs;
 - For death or injury to any employee (or equivalent within the voluntary working sector) of the principal during the course of their employment except for the cover we must provide under the Road Traffic Acts or any other legislation applicable to motor insurance;
 - For any liability which attaches to the principal by virtue of an agreement which would not have attached in the absence of such agreement;
 - For any liability resulting from the negligence of any person other than you, your business partner, director or employee (or equivalent of these within the voluntary working sector); or
 - Where the principal is entitled to indemnity under any other insurance.

Guidance notes

If your certificate allows you to drive a car which you do not own, you will be covered under this insurance, but only for liability to others.

What we cover

We may extend section 1 to cover you while you are driving a motor car you do not own (with the owner's permission), or have not hired or leased, as long as you are not covered by any other insurance. This cover only applies in the United Kingdom. You should consult your certificate and schedule to see whether you have this extension.

What we do not cover

- a) Any loss or damage to the vehicle you do not own.
- b) Any accident which happens outside the United Kingdom.
- c) Any accident which happens when this insurance is not in the name of one person.
- d) Any liability if you no longer have possession of your car, if it has been damaged so much that it is not worth repairing, or if it has been stolen.
- e) Any liability under this insurance if the owner or keeper of the motor car you are driving has not arranged his or her own insurance on the motor car to cover his or her liability to others.
- f) Loss or damage caused intentionally or maliciously by you or any person employed by you or any person covered under this policy or any member of your family, or loss or damage someone else causes with your permission or encouragement.

Guidance notes

This section allows you to tow a trailer, caravan or broken-down vehicle.

Only one vehicle may be towed at a time, and cover only applies when the vehicle is attached to your car.

The cover for your car will stay the same, but we will insure the trailer or vehicle being towed only for liability to others.

What we cover

We will extend Section 1 of your insurance to provide cover while your vehicle is towing a trailer, caravan or broken-down vehicle (as allowed by law) which must be attached securely to your vehicle in line with the manufacturer's recommendations.

What we do not cover

- a) Damage or loss to the towed trailer, caravan or broken down vehicle.
- b) Damage or loss of any property being carried in or on the trailer, caravan or broken down vehicle.
- c) A trailer, caravan or broken down vehicle being towed for hire or reward.
- d) Towing more trailers than the number allowed by law.
- e) Towing more than one broken down vehicle or caravan.
- f) Any damage or liability incurred in respect of trailers or caravans unattached at the time of damage or loss (except where they have become temporarily unattached during the course of the journey).
- g) We will not make any payment in relation to the death or injury to any person travelling in a vehicle you are towing unless that vehicle is being towed because it has broken down, other than where we are required to under the Road Traffic Acts or any other legislation applicable to motor insurance.
- h) We will not make any payment in relation to the death or injury to any person travelling in or on a trailer or caravan you are towing other than where we are required to under the Road Traffic Acts or any other legislation applicable to motor insurance.
- i) Loss or damage or liability which is the responsibility of the person driving or steering any vehicle being towed by your vehicle or being towed by a vehicle being driven by you.

Section 4

Guidance notes

Section 4 only applies to comprehensive insurance, and covers damage to your car.

The amount we pay may be different if your vehicle was not registered in the UK from new.

If your vehicle has been imported you must tell us when you arrange cover.

Damage to your car

What we cover

This section only applies to your car.

We will cover you under this section for damage to your car (less any excess which applies).

We will also provide cover for damage to your car's spare parts and fitted accessories supplied by the manufacturer. You must keep the spare parts and accessories with your car and their value must be within the maximum amount we pay.

We will not pay under this section for damage more specifically covered under sections 5 or 6 of this insurance.

We will (at our option) either:

- repair or replace your car; or
- pay you an amount of cash.

The most we will pay

If your car was first registered from new in the United Kingdom, the most we will pay will be its market value immediately before the accident or loss (including its spare parts and accessories).

If your car was first registered from new in a country other than the United Kingdom, and we know about this and have agreed cover, the most we will pay will be:

- the amount shown on your purchase receipt for your car (including spare parts and accessories); or
- the market value of the manufacturer's United Kingdom model with the nearest equivalent specification (including spare parts and accessories);

whichever is lower.

If your vehicle is under a lease agreement the most we will pay is the written down value or the market value whichever is the lesser.

Giving you a new car

If your car is less than one year old and has covered less than 15,000 miles and you have been the first and only registered owner, having bought and registered the car in the UK, we will replace it with one of the same make, model and specification if it has:

- been totally destroyed; or
- suffered damage covered by the policy and the cost of repairing it will be more than 60% of the last UK list price (including car tax and VAT).

Section 4 continued on the next page.

Section 4

Guidance notes

If you agree to use one of our approved repairers you may be entitled to a courtesy car for the duration of the repair.

This is subject to availability of courtesy cars at the repairer and whether your car can be repaired.

Please see page 18 for exceptions to section 4.

Damage to your car (continued)

We can only do this if a replacement car is immediately available in the UK and anyone else who has an interest in your car (for example a hire-purchase company) agrees.

If a suitable replacement car is not immediately available in the UK, the most we will pay is the market value of your car before the accident or loss (including its spare parts or accessories). We can only do this if anyone else with an interest in your car agrees.

Once we have made this payment or provided a replacement, we will be entitled to take ownership of your car.

Courtesy car provision

Following a claim under this section of your policy, you may be entitled to a courtesy car while your car is being repaired. This is subject to:

- us agreeing that the claim is covered under your policy;
- the repairs being carried out by one of our approved repairers; and
- the approved repairer having a car available for you to use.

You will not be entitled to a courtesy car if:

- we cannot repair your car or the cost of repairing your car is uneconomical or
- your policy does not cover the damage.

The courtesy car will be insured on a comprehensive basis (including business use if your policy provides this cover) for the period for which we have agreed you may have the courtesy car. Only you and those drivers permitted to drive under your policy will be covered.

You will be required to pay an excess towards any loss or damage to the courtesy car whilst it is in your possession. The excess payable by you will not exceed that payable by you under the terms of your policy.

If we have provided you with a courtesy car and while your car is being repaired it becomes apparent that we cannot repair your car or that the cost of repair is uneconomical you must return the courtesy car within 2 days of us informing you. If you do not, you will have to pay the hire costs of the courtesy car after this period.

You will have to pay the hire costs if you keep the courtesy car for longer than agreed.

Any hire costs which you have to pay may either be deducted from the settlement we agree to pay you, or added to your excess.

You will have to pay the running costs of the courtesy car (e.g. the cost of fuel) and also any fines or penalties incurred by you, while you are using the car.

Section 5

Guidance notes

Under this section we will provide cover when your car is stolen, damaged by thieves or damaged by fire. You will need to pay the excess shown on your schedule.

If your car is stolen, we will assume that it was in average condition for its age unless you give us other evidence.

You should make every effort to protect your car from theft. Please make sure you keep your keys safe when you are not using your car.

The amount we pay may be different if your vehicle was not registered in the UK from new.

If your vehicle has been imported you must tell us at the time you arrange cover.

Loss or damage to your car by fire or theft

What we cover

This section only applies to your car.

We will cover you under this section if the loss or damage to your car is caused by fire, theft or attempted theft (less any excess which applies).

We will also provide the same cover for loss or damage to your car's spare parts and fitted accessories supplied by the manufacturer. You must keep the spare parts and accessories with your car and their value must be within the maximum amount we pay.

We will not pay under this section for loss or damage more specifically covered under section 6 of this insurance.

We will (at our option) either:

- repair or replace your car; or
- pay you an amount of cash.

Theft of keys

If the keys or key fob for your car are stolen, we will pay the cost of replacing:

- the keys or key fob;
- the door locks or boot lock (or both); or
- the ignition and steering lock.

We will also pay the cost of re-coding or, if necessary, replacing any alarm system your car has.

The most we will pay as a result of theft of keys or key fob is £500 for any one incident.

The most we will pay

If your car was first registered from new in the United Kingdom, the most we will pay will be its market value immediately before the loss or damage (including its spare parts and accessories).

If your car was first registered from new in a country other than the United Kingdom, and we know about this and have agreed cover, the most we will pay will be:

- the amount shown on your purchase receipt for your car (including spare parts and accessories); or
- the market value of the manufacturer's United Kingdom model with the nearest equivalent specification (including spare parts and accessories);

whichever is lower.

Section 5 continued on the next page.

Guidance notes

Loss or damage to your car by fire or theft (continued)

If your vehicle is under a lease agreement the most we will pay is the written down value or the market value whichever is the lesser.

Giving you a new car

If your car is less than one year old and has covered less than 15,000 miles and you have been the first and only registered owner, having bought and registered the car in the UK, we will replace it with one of the same make, model and specification if it has:

- been stolen and not recovered;
- been totally destroyed; or
- suffered damage covered by the policy and the cost of repairing it will be more than 60% of the last UK list price (including car tax and VAT).

We can only do this if a replacement car is immediately available in the UK and anyone else who has an interest in your car (for example a hire-purchase company) agrees.

If a suitable replacement car is not immediately available in the UK, the most we will pay is the market value of your car before the accident or loss (including its spare parts or accessories). We can only do this if anyone else with an interest in your car agrees.

Once we have made this payment or provided a replacement, we will be entitled to take ownership of your car.

Courtesy car provision

Following a claim under this section of your policy, you may be entitled to a courtesy car while your car is being repaired. This is subject to:

- us agreeing that the claim is covered under your policy;
- the repairs being carried out by one of our approved repairers; and
- the approved repairer having a car available for you to use.

You will not be entitled to a courtesy car if:

- we cannot repair your car or the cost of repairing your car is uneconomical or
- your policy does not cover the damage.

The courtesy car will be insured on a comprehensive basis (including business use if your policy provides this cover) for the period for which we have agreed you may have the courtesy car. Only you and those drivers permitted to drive under your policy will be covered.

If you agree to use one of our approved repairers you may be entitled to a courtesy car for the duration of the repair.

This is subject to availability of courtesy cars at the repairer and whether your car can be repaired.

Section 5

Loss or damage to your car by fire or theft (continued)

You will be required to pay an excess towards any loss or damage to the courtesy car whilst it is in your possession. The excess payable by you will not exceed that payable by you under the terms of your policy.

If we have provided you with a courtesy car and while your car is being repaired it becomes apparent that we cannot repair your car or that the cost of repair is uneconomical you must return the courtesy car within 2 days of us informing you. If you do not, you will have to pay the hire costs of the courtesy car after this period.

You will have to pay the hire costs if you keep the courtesy car for longer than agreed.

Any hire costs which you have to pay may either be deducted from the settlement we agree to pay you, or added to your excess.

You will have to pay the running costs of the courtesy car (e.g. the cost of fuel) and also any fines or penalties incurred by you, while you are using the car.

Please see page 18 for exceptions to section 5.

Section 6

Loss of or damage to in-car entertainment and navigation equipment

What we cover

We will cover you under this section for loss of or damage to in-car entertainment and navigation equipment permanently fitted to your car.

- If such equipment is fitted as standard by the manufacturer then you will have unlimited cover but will have to pay any excess which applies.
- If such equipment is not fitted as standard by the manufacturer (i.e. it was fitted after the original registration) the most we will pay to replace or repair the equipment is the market value at the time of the loss or damage up to a maximum of £500. This amount is subject to any excess which may apply.

Please see page 18 for exceptions to section 6.

Exceptions to sections 4, 5 and 6

Guidance notes

Under all contracts some situations are not covered. Please read this section carefully to make sure you understand what cover is not included in your own insurance.

You are not covered for hiring a replacement car.

You must follow the manufacturer's instructions to avoid liquid freezing in the cooling system of your car.

We will not pay for any repairs or replacements which leave your car in a better condition than it was before the incident. If this happens, you will have to pay something towards the cost.

For cover to apply under this insurance if you lend your car to anyone else, you must make sure that you include them as a driver on your certificate of motor insurance.

If you leave your car, it will not be covered if you have not removed the ignition key, closed the windows and sunroof, and locked all the doors. This even applies for short periods, such as in a petrol station.

What sections 4, 5 and 6 do not cover

- a Damage to or theft of phones or two-way radios.
- b An amount of money to compensate you for not being able to use your car and any other expenses you have to pay because of this.
- c Loss of value, wear and tear.
- d Any reduction in the value of your car, including loss of value following damage whether the car was repaired or not.
- e Damage to tyres caused by braking, punctures, cuts or bursts.
- f Damage caused by frost unless you took reasonable precautions.
- g The cost of repairing or replacing parts of the car which improve your car beyond its condition before the loss or damage happened.
- h The cost of repairing or renewing areas which were not damaged in the incident for which you are claiming.
- i The loss of, or damage to, your car resulting from fraud, deception or attempted fraud or deception or by the use of a counterfeit or other form of payment which a bank or building society will not authorise.
- j The amount of any excess shown in your schedule and in section 8 of this document.
- k Mechanical, electrical, electronic, computer or computer software breakdowns, failures, faults or breakages.
- l Loss or damage when your car is left unattended if the last person in charge of your car before the loss or damage happened is not shown on your certificate of motor insurance as allowed to drive.
- m Damage to or loss of your vehicle or its accessories if the vehicle is left unattended unless all ignition keys are removed from your vehicle and all doors, windows and other openings are closed and locked so that your vehicle is fully secured. This applies even for short periods such as in a petrol station.
- n Loss or damage resulting from your car being repossessed by or returned to its rightful owner.
- o Loss or damage caused intentionally or maliciously by you or any person employed by you or any person covered under this policy or any member of your family, or loss or damage someone else causes with your permission or encouragement.
- p Loss or damage caused by an inappropriate type or grade of fuel being used.
- q Loss or damage caused by chewing, scratching, tearing or fouling by domestic pets, or caused by vermin, insects, mildew or fungus.

Section 7

Guidance notes

This section shows the cover you have for damage to glass in your windscreen and windows.

Glass cover only applies to comprehensive insurance - check before you claim.

Please contact Glassline's 24-hour helpline on 0800 587 0808. They will arrange for the repair or replacement.

Glassline will ask for your certificate of motor insurance. If you show them this, you will only have to pay the excess, and VAT if you are registered for VAT. You do not need to do anything else. Glassline will send the account direct to us.

There is an excess on all glass claims - unless the glass is repaired through Glassline.

Repairing and replacing glass

What we cover

If you have comprehensive cover you can claim for damage to the glass in your vehicle's windscreen, windows or sunroof.

- If Glassline arrange to replace the glass, you will have unlimited cover but you will have to pay the excess shown on your schedule.
- Unless Glassline arrange to replace the glass, you will only be covered for the reasonable cost of replacing the glass subject to a maximum of £150 less the excess.
- If the damaged glass is repaired, instead of replaced, you will not have to pay the excess, as long as Glassline arrange for the repair.
- If the damaged glass is repaired, instead of replaced, but not through Glassline you will have to pay the excess shown on your schedule.
- As long as there is no other damage, we will pay you under this section and it will not affect your no-claim bonus.
- Any other excess we mention in this document will not apply to glass claims.

Section 8

If your insurance allows certain drivers under 25 to drive your car, or people who are inexperienced or hold a non-UK licence, you will have to pay the amount shown towards the cost of repair or towards a total loss payment. This applies whoever is at fault.

Any other excesses shown on your schedule will apply as well.

Excesses for young or inexperienced drivers

If your car is damaged while a young or inexperienced person (including you) is driving, or is in charge of the car, you will have to pay the first part of the cost as shown below.

This is in addition to any other excesses that you may have to pay.

Drivers	Amount of excess
Under 21	£300
Aged 21 to 24	£200

Guidance notes

This is the cover available for death and injury to you, your husband, your wife or your civil partner after an accident.

Please read the circumstances where this benefit will not apply.

What we cover

If you, your husband, your wife or your civil partner (as defined in the Civil Partnership Act 2004) are injured or die within three months of an accident in your car and as long as the accident is the only cause of the injury or death, we will pay the following amounts.

- a For death - £2,500
- b For loss of any limb - £2,000
- c For permanent blindness in one or both eyes - £2,000

This cover also applies when you, your husband, your wife or your civil partner are travelling in, or getting in or out of, any other private motor car.

The most we will pay for anyone following one accident is £2,500.

We will make this payment to you or your legal representative.

If you, your husband, your wife or your civil partner have any other insurance contract with us, we will only pay out under one contract.

What we do not cover

- a Death or bodily injury caused by suicide or attempted suicide.
- b Incidents unless the insurance is in one person's name.
- c Anyone who was under the influence of alcohol or any drug at the time of the accident.
- d Death or injury if you make a claim under section 1.

Guidance notes

We expect you to take reasonable care of your belongings by always locking the car and keeping your personal items in the boot.

What we cover

We will pay up to £100 for personal belongings in your car if they are stolen or damaged.

What we do not cover

- a Trade goods or samples or any equipment to do with your work.
- b Money, stamps or documents.
- c Any audio equipment, cassettes, records or compact discs.
- d Phones or two-way radios.
- e Theft of items carried in an open or convertible car, unless you keep them securely locked in the boot.
- f Property insured under any other insurance contract, or property you have not reasonably protected.

The personal belongings section only applies once for each event.

Guidance notes

- If you are going abroad on holiday you can take your car to the countries listed for up to 90 days in each insurance year. Please tell your insurance adviser the details of your journey beforehand.

- # We can extend cover to certain other countries. Please ask your insurance adviser to arrange this for you.
- ◆ If you want to use your car abroad for business, you will need to ask your insurance adviser to arrange for your cover to be extended beforehand.

What we cover

Automatic cover

- We will extend your insurance cover to apply in the following countries for up to 90 days in any one insurance year while you are using your car for social, domestic or pleasure purposes. Cover is also included while your car is being transported to and from these countries by rail or by a recognised sea route which takes less than 65 hours.
 - a Any member of the European Union.
 - b Andorra.
 - c Iceland.
 - d Liechtenstein.
 - e Norway.
 - f Switzerland.
 - g Serbia.

If you go over the 90-day period without our permission, cover is reduced to the minimum you need under European Union Directives on motor insurance while your car is in the countries shown above.

Extended cover

- # If we agree beforehand and you pay any extra premium we need, you may extend your insurance to apply to certain other countries covered by the International Green Card System.
- ◆ If we agree beforehand and you pay any extra premium we need, you may extend your insurance to apply while you are using your car abroad for business purposes. We will only agree to extend cover to countries which are covered by the International Green Card System.

If the cover under sections 4 or 5 has been extended to apply abroad we will also cover any foreign customs duty you have to pay as a direct result of the loss of or damage to your car.

Section 11

Guidance notes

- In Spain you need special cover, known as a bail bond.

This bail bond is usually enough to prevent your vehicle being impounded in Spain after an accident.

- * We have explained your Spanish bail bond cover in Spanish in case you need to show it to the authorities there.

Foreign travel (continued)

Spanish bail bond

- Our representatives (in Spain) can act to release your car or you if you or it are held after an accident.

Our representatives can pay up to £1,000 to do this.

If they pay any money under this bond, you will have to refund the amount to us.

- * Autorizamos a la Oficina de Aseguradores de Automóviles de Madrid o sus representantes designados a actuar en nombre de nuestro Asegurado para obtener la liberación del vehículo y/o del Asegurado y/o de la persona autorizada para conducir el mismo de detención oficial como consecuencia de un accidente.

A tal efecto, la Oficina de Aseguradores de Automóviles de Madrid o sus representantes designados queda autorizada por el presente para establecer garantías o depósitos hasta £1000 o 1500 euros en concepto de fianza penal. (La finalidad de esta garantía no es aplicable en casos de multas.)

Section 12

In some circumstances you may have to pay for medical treatment after an accident.

You are covered up to £250 for each person for each accident.

Medical expenses

What we cover

If there is an accident involving your car, we will pay up to £250 to cover the medical expenses of each person who is injured while they are in your car.

Guidance notes

Under this section we will provide a solicitor to represent you if a 'manslaughter' (including corporate manslaughter) or 'causing death by dangerous or careless/inconsiderate driving' charge is brought against you after an accident.

There are limits to the cover we provide.

What we cover

We may provide a legal representative to advise and represent anyone covered under section 1, if proceedings are taken out against that person for manslaughter (including any costs arising from you being prosecuted under the Corporate Manslaughter and Corporate Homicide Act 2007) or causing death by dangerous or careless/inconsiderate driving.

What we do not cover

- a Costs covered by another insurance policy.
- b Proceedings where the driver is under 21 at the time of the accident.
- c Proceedings where the driver is under the influence of alcohol or any drug at the time of the accident.
- d Any costs arising from you being prosecuted under the Corporate Manslaughter and Corporate Homicide Act 2007 in relation to any voluntary work mentioned in section 1.
- e Any fines or penalties imposed as a consequence of a prosecution under the Corporate Manslaughter and Corporate Homicide Act 2007 or any prosecution costs.

Our cover under this section is limited to £5,000 in any one year of insurance (except for costs arising from you being prosecuted under the Corporate Manslaughter and Corporate Homicide Act 2007 which are limited to £5 million in any one year of insurance unless stated otherwise).

We can settle claims (except those arising from you being prosecuted under the Corporate Manslaughter and Corporate Homicide Act 2007 where the limit is £5 million unless stated otherwise) by paying you £5,000 less the costs that have already been paid.

Guidance notes

We will give you a discount on your premium each year if you do not make a claim.

If you make a claim and we cannot recover the amount we pay, we will reduce the bonus even if the event was not your fault.

If you make two or more claims in one insurance year, you will lose all your bonus.

Claims for just glass breakage do not affect your no-claim bonus.

By paying an extra premium you can protect your no-claim bonus. Although your level of no-claim bonus may be protected, this does not mean that your premium will not be increased if, for example, your accident or conviction record justifies this. Your insurance adviser can give you more details.

If nobody makes a claim or notifies us of an incident that may lead to a claim under your insurance during the insurance period, we will give you a discount when you renew your insurance. The discount you will receive will depend on the no-claim bonus scale we are using when you renew your insurance.

If you make a claim or notify us of an incident that may lead to a claim in any insurance period, we will reduce the discount you receive.

If two or more claims are made in any one period of insurance you will lose all your no-claim bonus.

If more than one car is covered by this insurance, we will assess each car individually.

Your no-claim bonus will not be affected if you only claim for a broken windscreen or windows.

You cannot transfer your no-claim bonus to someone else.

Protected no-claim bonus

Depending on certain conditions you may be able to protect your no-claim bonus if you pay an extra premium. Your no-claim bonus is only protected if this is shown on your schedule.

If your no-claim bonus is protected we will not reduce it if you do not make more than two claims during any five years of insurance. If three or more claims are made during any five-year period we will reduce the discount you receive.

Guidance notes

These general exceptions apply to all sections of your insurance and explain when your insurance will not cover you.

- a is found to be over the lawful limit for driving with alcohol
 - b is driving whilst unfit through drink or drugs, whether prescribed or otherwise
 - c fails to provide a sample of blood, urine or breath when required to do so, without a lawful reason.

General conditions

Guidance notes

You must keep to these conditions or your insurance will not be valid. Your insurance only covers people who meet these conditions and all the information you give to us in the proposal form or statement of insurance must be completely true and accurate.

We will not pay any claim which is false or fraudulent.

If your vehicle is broken into, stolen or vandalised you must tell the police.

This is the procedure for reporting accidents and thefts to us. Do not admit an accident or loss was your fault or negotiate a claim without our permission.

- A We will only provide the cover described in this insurance under the following circumstances.
- 1 Anyone claiming cover under this contract has kept to all the conditions in this document and any endorsements.
 - 2 The information you gave on the proposal form or statement of insurance and any declaration is true and complete. If you do not give us accurate information, this could lead to your claim not being paid and/or your insurance not being valid.
 - 3 'Your car' means any car you have told us about and that we have agreed to cover. The car must be your property and registered in your name. If you change the car covered by this insurance or get an extra car which you need cover for, you must tell us in writing beforehand.

We will only provide cover if you have paid the premium.

- B If a claim is made which you or anyone acting for you knows is false, or if you give us incorrect information or fraudulent documents, we will not pay the claim, cover under this insurance will not be valid, and you will lose any premium you have paid. We may also contact the police and/or relevant authority(s) in relation to possible criminal proceedings.
- C After any event which could lead to a claim, tell us immediately by phoning us on **0800 072 2050** or by writing to the address at the end of this document. If any incident involves theft, attempted theft or vandalism you must also report this to the police as soon as the incident is discovered.
- D You must send us any letters, writ or summons as soon as you receive them, together with a filled-in report form. Do not answer any letters, send them straight to us. You must also tell us if you know about any prosecutions involving anyone covered by this insurance. If you have an accident or loss, you must not admit to anyone else that it was your fault or negotiate or refuse any claim unless you have our permission.
- E We are entitled to take full control of any claim and we must be given whatever information and help we need. You must not do anything that will affect our interest in this insurance. We can prosecute or defend any claim in your name.

General conditions (continued)

Guidance notes

You must keep your car in a safe and roadworthy condition and make every attempt to protect it from damage or theft.

If you leave your car, it will not be covered if you have not locked and secured it. This applies even for short periods, such as in a petrol station.

- F If the law in any country to which this insurance applies obliges us to make a payment which we would not otherwise have paid, we reserve the right to recover the amount paid from you or the person, company, partnership or firm that incurred the liability which made the payment necessary.
- G If your car is damaged and a part or accessory cannot be repaired or replaced, we will only pay you the amount shown in the manufacturer's last United Kingdom list price. If we know that your car is an imported vehicle which we have agreed to cover, and the damaged part or accessory has never been available in the United Kingdom, we will only pay the manufacturer's last list price in the country your car came from. We will not pay for the cost of importing any part or accessory needed to repair your car.
- H If your car is under a hire purchase or leasing agreement and it is damaged and cannot be repaired or replaced, we will pay the claim to the owner shown in that agreement.
- I If there is other insurance in force which covers the same loss, damage or liability as our insurance, we will only pay any amount above that provided by the other insurance. This condition does not make us responsible for any amount we would not otherwise have paid under any section of this insurance.
- J You must take all reasonable steps to keep your car in a roadworthy condition at all times, and protect it from loss or damage. You must lock and secure your car when you leave it. We can examine your car at any reasonable time.
- K If you have an accident, you must take all possible steps to protect your car and its accessories and contents. If the damage to your car is covered by this insurance, you must contact us immediately. We will not pay for any further damage you cause if you try to drive your car. One of our approved automotive assessors must inspect your car before repairs are started. We will not be responsible for the cost of any new parts or accessories ordered, or repairs carried out, without our agreement. If we think the repair estimate is unreasonable, we may negotiate a lower estimate or pay for any work that may have been done and move your car to another repairer. We have the right to move your car to a safe storage place without asking you.
- L If we choose, we may arrange for the repairer to use suitable (possibly recycled) parts and accessories that are made by a company other than the manufacturer of your car.
- M You cannot transfer this insurance to anyone else.

Guidance notes

If you are a 'retail' customer, you may cancel the insurance within 14 days of its start without giving any reasons. You will be entitled to a pro-rata refund of your premium, not including any charges to cover costs.

We may cancel the insurance by sending you seven days' notice. You may be entitled to a refund of part of your premium. You may also cancel this insurance by returning your certificate of motor insurance and you may be entitled to a refund if you have not made a claim.

N Cancelling during the initial period of cover – 'Retail' customers only.

If you have entered into this contract of insurance as a retail customer, you have a right to cancel this insurance. To do this, you must tell us or your insurance adviser within 14 days of the start date (or annual renewal date) of your policy or (if later) the day you receive the policy documents and supporting information.

You must return your certificate of motor insurance to us or your insurance adviser as part of your notice of cancellation.

If you choose to cancel the insurance policy during this initial period of cover, you will have to pay 'pro-rata' rates for the period of time you have had insurance cover. Further charges may include a proportion of any commission paid to your insurance adviser and a proportion of any fees charged by your insurance adviser, sufficient to cover their costs.

O This insurance may also be cancelled in the following circumstances.

We or your insurance adviser may cancel this policy by sending seven days' notice to your last known address where there is an exceptional or valid reason for doing so. If you return the certificate of motor insurance to us we will refund the part of your premium which applies to the period of the insurance you have left.

We will make a deduction for any administration costs we have incurred.

If we or your insurance adviser cancel this insurance because you have not paid the full premium no refund will be given.

We will not give a refund if anyone has claimed in the current insurance period. Exceptional or valid reasons may include but are not limited to:

- You do not pay the premium or an instalment when you have been notified that an outstanding amount is required by a specific date.
- you or anyone else covered by this insurance has not met the terms and conditions in this document of motor insurance including those shown on your schedule.
- you have not provided the requested documentation e.g. evidence of your current address, proof of no claims bonus or a copy of your driving licence.
- a change in your circumstances means that we can no longer provide cover.

General conditions (continued)

Guidance notes

- where we identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled.
- use of threatening or abusive behaviour or language or intimidation or bullying of our staff or suppliers.
- where the circumstances of a new claim, or an incident we have become aware of mean that we no longer wish to provide cover.
- if as a result of a claim under this insurance you have not co-operated with our reasonable request for any documents and/or information, we may no longer wish to provide cover.
- You can cancel this insurance after the initial period of cover set out in N above by sending back your certificate of motor insurance and schedule to us or your insurance adviser. If you have not made any claims in the current period of insurance, and you are not going to make a claim, we will work out a charge for the time you have been covered using our short-period rates shown below. We will refund any amount we owe you.

Period of time you have had the cover, up to:	Refund of premium
One month	80%
Two months	70%
Three months	50%
Four to five months	40%
Six months	30%
Seven months	20%
More than seven months	0%

- P If you pay your premium by instalments and have paid a deposit premium, if we then do not receive an instalment when it is due, we will send you seven days' notice of cancellation. You must pay the full amount you owe before the seven days are up. If you do not pay the full amount, we will cancel the insurance immediately. You must return the current certificate of motor insurance. If your vehicle is lost or damaged and cannot be repaired or replaced and the loss or damage is covered by this insurance, you must pay all the premium you owe. We will have the right to take any premium you owe from the amount of the claim.

General conditions continued on the next page.

General conditions (continued)

Guidance notes

You must tell your insurance adviser immediately if there are any changes to the information you have given us. If you do not do this, your insurance cover may not be valid.

Q You must tell us as soon as possible about any changes which could affect your insurance and which have happened since the cover first started or since you last renewed it. If you do not tell us about these changes, your insurance may not cover you fully or at all. If you are not sure whether any facts are important, please ask your insurance adviser. Here are some examples of changes you should tell us about.

- A change of car - including getting an extra car. We will need full details of your new car, which must include information about the country in which it was first registered if this was different to the United Kingdom.
- A change in the way you use your car.
- A change of address.
- A change of occupation, including any part-time work.
- Convictions and prosecutions.
- A change in the main driver of the car.
- Details of drivers you have not told us about before.
- Details if you or anyone who will drive develop any medical conditions.
- All changes you make to your car, if these make your car different from the manufacturer's standard specification.

Without affecting the condition relating to cancellation we shall be entitled to increase or reduce the premium and/or vary the terms, conditions and exceptions of this policy in respect of the unexpired term of this insurance to adequately reflect the alteration in the risk.

R This insurance does not give rights to any person other than you (the insured person) unless we say differently elsewhere in this document.

S Unless we have agreed otherwise with you, this insurance is governed by the law applying in the particular country in the United Kingdom you live in. If there is any dispute over which law is to apply to this insurance it will be English law. We will not cover any payments that are awarded by a court in a country outside of the United Kingdom unless your cover has been extended to that country under section 11 of this insurance.

T If your vehicle is lost or damaged and cannot be repaired or replaced, and the loss or damage is covered by this insurance, when we settle your claim your vehicle will become our property. We will not refund any premium for the period of insurance you have left but we may decide to let the cover continue for a replacement vehicle.

If your vehicle is a 'write-off' and we offer to settle your claim, this insurance will end for your vehicle when you accept the payment. The insurance can only be transferred to a replacement vehicle if we give our permission.
